Fresh, Sustainable Nutrition for Every Home

About Us

Founded by Aishwarya, Aishaura Microgreens is rooted in a passion for nutrition, sustainability, and supporting our vibrant local community.

- Family-run urban farm with a personal touch
- Eco-conscious: minimal waste, local delivery, & responsible practices
- Transparent food traceability — from seed to plate
- 100% organic, freshly harvested, no chemicals used

Why Choose Microgreens?

- Up to 40x more nutrients than mature greens
- Harvest-ready in 7–10 days — ultra fresh produce always
- Eco-friendly farming: 90% less water, no chemical pesticides
- Flavor variety: from spicy to sweet to nutty
- Perfect for every dish: salads, smoothies, sandwiches, curries & pizza!

Why Choose Us?

- Homegrown & pesticide-free using sustainable practices
- Harvest-to-door freshness: orders cut the same day of delivery
- Eco packaging and farm-to-fork traceability
